All exhibits must be removed by 6pm on Monday, July 22.

It is the discretion of the judge to award 1st, 2nd or no premium if there is but one item entered in a class. Judging will be based on rarity, age and condition. The decision of the judge is final.

Items entered in the wrong class will be disqualified.

Read the premium list carefully for the proper section and class number. Framed items need to be sturdy and securely fixed for hanging. It is recommended that paper items have a protective covering whenever possible. When the premium list reads “**others not listed**,” please identify the item being entered. For example:

Section 1, Class 215, other not listed, Snowbabies

An item may be entered **2 yrs consecutively**. After resting it for 1 year, it may be re-entered. This will help keep our department fresh.

There can be no multiple entries in this department. For example, you cannot enter a cruet under “cut glass” and the same cruet

under “cruet.” **Please make sure you list the section number along with the class number when filling out your entry form.**

Should you have any questions regarding an entry for this department, please call 1 of the Department Superintendents: Sarah and Bob Welch, 885-6269.
