Entry Fee: 15% of 1st prize premium

Entries close Saturday, June 27, at 6pm.

Entries made in the wrong class will be disqualified.

All entries should be tagged before bringing them to the Antiques Building. You may pick up your tags at the Entry Office on Friday, July 10, 10am-1pm and 4-6pm.

You may bring your entries to the Antiques Building on Saturday, July 11, between the hours of 9am and 3pm. *Only tagged entries will be accepted.* Please attach the tags securely.

Times of release: Monday, July 20, from 11am to 6pm or by prior arrangement with the Department Superintendents.

It is the discretion of the judge to award 1st, 2nd or no premium if there is but one item entered in a class. Judging will be based on rarity, age and condition. The decision of the judge is final.

Items entered in the wrong class will be disqualified.

Read the premium list carefully for the proper section and class number. Framed items need to be sturdy and securely fixed for hanging. It is recommended that paper items have a protective covering whenever possible. **When the premium list reads "others not listed," please identify the item being entered.**

For example:

Section 1, Class 215, other not listed, Snowbabies

An item may be entered **2 yrs consecutively**. After resting it for 1 year, it may be re-entered. This will help keep our department fresh.

There can be no multiple entries in this department. For example, you cannot enter a cruet under "cut glass" and the same cruet under "cruet." **Please make sure you list the section number along with the class number when filling out your entry form.**
