SHERIFF'S GREETING

Welcome to the 2023 Saratoga County Fair! I hope you enjoy the many attractions, educational opportunities, competitions, and entertainment the Fair has to offer attendees of all ages.

While you're here, please stop by the Saratoga County Sheriff's Office Community Building located next to the Fairground Ave entrance. Inside, you'll find equipment used every day by law enforcement in our work to help keep you, your family, and your neighbors safe. Talk with our deputies and stay for our interesting and exciting demonstrations to give you a look into how Sheriff's deputies perform important aspects of their jobs.

As always, please help us keep the Fair a fun and safe place everyone. If you See Something, Say Something.

If an emergency occurs, call 9-1-1.

Thanks for visiting the Saratoga County Fair. I hope to see you at the Sheriff's Office Community Building!

Michael H. Zurlo,
Saratoga County Sheriff

Wash Your Hands

NO EATING, DRINKING or SMOKING ALLOWED IN ANY ANIMAL EXHIBIT or CONTACT AREA!

The Saratoga County Fair asks visitors to follow posted signs and practice safe hygiene when visiting our Fairgrounds. Interacting with animals is an important part of the fair experience. Despite the many benefits of interacting with animals, people should be aware that animals can carry germs that make people sick.

Animal born disease can cause a variety of illnesses, from minor skin rashes to serious infections. Diseases that pass from animals to humans are called zoonotic diseases and can include E. coli, Salmonella and Campylobacter. Older adults, pregnant women, young children and people with weakened immune systems may be especially vulnerable. By following some simple health tips, you and your family are less likely to get sick from touching or being around animals at the Fair.

Fair visitors should wash their hands with soap and water before and after touching any animal and never eat, drink or put anything in your mouth while in an animal exhibit or contact area. We also encourage parents and caregivers to consider leaving strollers outside and carry small children when visiting in these areas.

Adults should supervise hand washing for young children making sure children wash hands properly with soap and water after interaction with animals. Use hand sanitizer if soap and water are not readily available. The Saratoga County Fair has Hand Sanitizer Stations located in primary areas on the Fairgrounds to supplement our restroom sinks. These stations are available in food areas as well as in animal contact areas.

(Handwashing Step Cards available at Saratoga County Public Health)

JM PRODUCTIONS DEMOLITION DERBY

JM Productions, Inc. is a family entertainment industry specialist. They have been producing family entertainment from their office in Western New York for over 44 years.

In 1963, W. Jay Milligan Sr. was asked to put on a demolition derby at the Erie County Fair in his hometown of Hamburg, NY (which is just south of Buffalo). He was then asked to produce demos at other fairs in the area. The success at these fairs brought about the incorporation of JM Productions.

JM Productions, Inc. now produces over 60 motor

sport events yearly. Events include "World's Largest Demolition Derby®," "Championship Figure 8 Racing®" and their patented "Stock Car Football®". They have climbed the ladder to success to become the

premier automotive events producer in the northeastern United States at county and state fairs.

Jay Senior had a great career in the auto racing business prior to incorporating himself. He

NYTPA

The NYTPA event on Friday at 7:30 p.m. at the Saratoga County Fair features Super Stock Tractors and 2-Wheel Drive Trucks.

The Two-Wheel Drive class is considered the funny cars of pulling. These wheel standers run with fiberglass S-10 Chevy bodies, Dodge Dakotas, Ford Super duties and 23 Ford T-buckets. You name it and they are running it. They are producing upwards of 2,500 horsepower, from after market engines such as a Keith Black Hemi and the Fontana Arias to more common BBF and BBC engines from Fords and Chevys. They are allowed up to 575 cubic inches and can use superchargers or turbos burning methanol for fuel. These machines all use slipper clutches with a gearbox. They have Rockwell rear ends with planetary gears. The Dick Cepek tires can produce

**FRIDAY
JULY 21**

wheel speeds up to 80 mph. The maximum weight of the vehicle is 6,200 pounds and are allowed 15 feet from center of rear axle to furthest point forward of the cab and weight box.

The Super Stock tractor class allows four different types of tractors in the same class. Weights and regulations make this class very competitive. Super Stocks weigh 8,500 lbs and are limited to three turbo stages and 30.5 x 32 tires. The alcohol Super Stocks limit is 504 cid and weigh in at 7,500 lbs.

4X4 TRUCK PULL

The ground pounding action for Saturday's 4x4 Truck Pull include Superstock trucks, street diesel trucks and stock gas trucks. The afternoon Four-Wheel-Drive Pull starts at 4 p.m., the evening show starts at 7 p.m. and both are free with your paid admission to the Fair.

**SATURDAY
JULY 22**

GARDEN TRACTOR PULLS

Tractor pulling started many years ago with farmers looking for a friendly competition, socialization and most importantly bragging rights. As time has passed and many things in life have changed these desires have remained the same. We have gone from just stock farm tractors to a wide variety of pulling classes. We have antiques, enhanced antiques, farm stock and

HOT DOG PIG RACES

Hot Dog pig racing is one of the most popular attractions among all ages at the fair.

During the show, you will see pigs race around a small oval track with such a passion. This race is sure to be entertaining.

These little awkward but cute, cuddly animals truly fascinate spectators. Their natural comedic talents provide riveting entertainment as they bolt from the starting gate and race around the track with all their might snorting and squealing as their stubby legs churn and curly tails sail along behind.

BRIAN RUTH - MASTER OF THE CHAINSAW

Hailing from The Poconos in Pennsylvania, Brian Ruth is the Original Master of the Chainsaw. Brian graduated from Villanova University with a degree in business and finance in 1979. Soon after his graduation, Brian witnessed his first live chainsaw carving. The experience led him to pursue a lifelong career of chainsaw carvings – a momentous and fateful moment not only for Brian but for the chainsaw carving community as a whole. With a unique background in business and finance and uncanny talent with the chainsaw, Brian has transformed the world of extreme chainsaw carvings. As one of the two

founding proprietors of the Masters of the Chainsaw, Brian built a unique agency from the ground up that has represented the greatest carver's in the world.

In 1995, Brian introduced the chainsaw carving as a performance art to Japan. Since then, he has established a division of Masters of the Chainsaw and a chainsaw carving school in Toei, Japan. Brian continues to perform both domestically and internationally. Brian also hosts his annual Masters of the Chainsaw X - Treme Power Carving Competition in Schnecksville Pennsylvania.

OAKLEY THE TREE MAN

Cliff Spenger, who performs as Oakley the Tree Man, towers over visitors in his 100-pound tree suit, as Oakley the Tree Man, ready to strike up a conversation with guests and pose for pictures.

Spenger, a former tightrope-walking juggler, came up with the idea for the Tree Man when he read a book about the Green Man, a symbolic figure frequently depicted in carvings and paintings. “The Green Man image has a face surrounded by leaves and is a symbol for man’s relation to nature”, Spenger said. “With my tightrope walking I’d been climbing trees, tying my tightrope to trees – I really just loved trees,” Spenger said. “So when I found out about this Green Man archetype, that it was a symbol of Man and Nature as one, that it represents rebirth and renewal like the coming of spring, I thought, “Oh, I’ll be a walking tree version of the Green Man”.

Since then, he has made his living as Oakley the Tree Man, specializing in Special Events. Cliff customizes his presentations using Bird and Squirrel puppets, fun clean comedy, and a little bit of Photosynthesis. As Oakley, he is constantly interacting with guests, complimenting them, joking with them, and posing for photos. Oakley’s all time favorite is The Family Tree Picture.

This way, the guests get to make a personal memory with Oakley the Tree Man and take it home with them.

FRIDAY - SUNDAY • STROLLING THROUGHOUT FAIRGROUNDS

EXTREME RAPTORS

They’re fierce, feathered and fantastic, winging your way in an avian extravaganza that captures the spirit of the wild. Extreme Raptors is the premium wildlife production, featuring birds of prey like you’ve never seen them before. Eagles, Hawks, Falcons and Owls are cleared for takeoff as a new major attraction for theme parks, resorts and fairs. Audiences will witness up close and personal the beauty and charisma that these predators have long symbolized to mankind as master falconers and skilled handlers guide the way.

Extreme Raptors is the World’s Largest travelling collection of raptors with stunning birds of prey from diverse habitats. The show includes Eagles, Hawks, Falcons and Owls from around the globe. An exciting, entertaining and educational 30-minute show with choreographed music and special effects performed by master falconer Jonathan Wood. Free-flight demos with a variety of birds. Meet & Greet Photo-op afterwards with most birds on display up close and personal. The Raptor Project Birds are regularly highlighted on national television including Animal Planet, The Discovery Channel, The Learning Channel, National Geographic Explorer, The Today Show, Good Morning America, The Early Show, Fox News Channel, CNN, ESPN, PBS, CBN and TBN.

AMUSEMENTS OF AMERICA

Amusements of America is recognized throughout the industry as one of the nation's premier carnival operators.

Visitors to the 2023 Saratoga County Fair get to experience the thrill of spectacular rides like the Scrambler, the Pharaoh's Fury and the Giant Wheel as well as the Free Fall and many more.

The midway is open Tuesday through Saturday from noon to 11 p.m. (Tuesday rides will start after 5 p.m.) and on Sunday from noon to 8 p.m.

All rides are sure to thrill even the most adventurous fairgoer. A \$25 hand stamp lets attendees on the rides all day long! This year, fairgoers can also buy tickets for rides at Magic Money kiosks on the fairground or via the Magic Money app.

Parents and children alike love the complete Kiddieland area, with plenty of modern family-friendly attractions as well as everyone's old favorites, too.

Can't leave the fair without a stuffed animal? Fairgoers can visit one of the exciting midway games to test their skill. From water races to basketball games,

SPECIAL DEAL ON RIDES!

**AMUSEMENTS OF AMERICA
RIDES FROM 12 NOON TO
11 PM DAILY!**

**\$25 HAND STAMP LETS
YOU RIDE ALL DAY!**

On Tuesday, set up day, rides may start later -
be sure you check to see if your favorite ride is
running before you purchase the hand stamp.

there is something for everyone on the midway.

And your favorite fair foods like candy apples, sno-cones, cotton candy, funnel cakes and sausage sandwiches are all in plentiful supply.

Amusements of America is a family-owned company that is now operated by the third generation of the Vivona family. Antonio Vivona founded the company in 1939 with the purchase of the Ferris Wheel at the conclusion of the New York World's Fair. Fifty-seven years later, in 1995, the company was recognized by the Guinness Book of World's Records as the "World's

Largest Traveling Amusement Park."

The integrity and reliability of its operations, built over a lifetime, is testified to by Amusements of America's decades-long relationship with many of North America's largest and oldest events.

Safety is Amusements of America number one priority. During the winter months, all equipment is transported to the company's fully equipped maintenance facility in South Carolina. There, equipment is refurbished for the upcoming season.

To ensure that equipment remains attractive and mechanically sound, Amusements of America maintains a state-of-the-art paint shop, ride repair shop and automotive shop.

And to ensure regulatory standards, licensing requirements and rider safety, all rides undergo consistent on-site inspections. These frequent comprehensive inspections are by conducted by local and state inspectors.

For more information on rides, visit amusementsofamerica.com.

NORTH AMERICAN CLASSIC SERIES SIX-HORSE HITCH

The first event of the Open Draft Horse Show will be the North American Classic Series Six-Horse Hitch at 6PM on Tuesday, July 18.

This show attracts international attention with Hitches that have traveled to Ballston Spa from throughout the Northeastern States and Canada. "The average weight of each horse is 2,000 pounds, each harness is 150 pounds per horse and the wagon weighs roughly 3,000 pounds, totaling 16,400 pounds for each Six-Horse Hitch. The ground rumbles when they are moving around the ring" comments Horse Trainer, Julie Armer Carson. Be sure to see these magnificent horses with their meticulous harnesses and beautiful wagons.

The Open Draft Horse Show features the finest competitors from both in and out of Saratoga County.

Fairgoers will also be able see more Six-Horse Hitches on Thursday, July 20 through Sunday, July 23 in our 6@6 North American Six-Horse Hitch Demonstrations beginning at 6 PM.
